Spring and Summer 1906
Sunnyside Floral Nursery
Thirty-Fourth Year.

Trees, Shrubs, Greenhouse Plants, Roses, Bulbs, Bedding and Ornamental Plants.

JAMES M. LAMB,
Lock Box 55. FAYETTEVILLE, N. C. Telephone 49.
Greeting.

With the year 1906 this writer is entering on his fortieth year as a Gardener. Yes, gardener. I love the good, honest old name rather than the modern "Florist," or "Landscape Architect." If there be honor in old age it stands at the head. The record stands thus:

"And the Lord God planted a garden eastward in Eden * * * And the Lord God took the man and put him in the garden of Eden, to dress it and keep it."

All along we find men turning to the garden for relaxation and pleasure.

_Solomon_ 'made gardens,' and "spake of trees from the cedar that is in Lebanon to the hyssop"—that is, he studied them as well as planted them. In modern times we find _Gladstone_, the "grand old man," who, while shaping the policy of the greatest Empire of all time, kept his physical, mental and spiritual life young by communion with God through the work of his hands in garden and forest.

But some may say, "What has all this to do with a price-list of plants, trees and shrubbery?" Well, simply this: I have found real pleasure through the years in caring for and growing plants, and actually had fun in reducing to order and symmetry a rough piece of old mother earth, and I can commend the love and care of plants as a cure for the "blues," and a pleasure that leaves no sting.

_Landscape Gardening._

How we do it. Our James M. Lamb has made a specialty of this branch of gardening for over 33 years, and can go anywhere in North or South Carolina, make plans for parks, cemeterys or private grounds and execute them, furnishing all plants needed for same.

Robert J. Lamb also devotes his time to this part of our work.

Henry L. Lamb has charge of the Greenhouse department—_cut flowers_ and _floral designs_. This is a growing branch of our business and we contemplate erecting new houses this year to be devoted especially to _cut flowers_—but come over and see us—the latch-string always outside and within a "Cead mella faitha."

Yours truly,

JAMES M. LAMB.
EVERGREENS.

The term "evergreens" is generally used to describe all plants that are hardy and hold their foliage from year to year, and includes Pines, Spruces, Magnolias, etc. down to dwarf box. Cape Jessamines, Magnolia fuscata and plants of that class are treated as Green House plants at the North.

Here are just a few of the rarest evergreens in cultivation:

Eriobotrya Japonica**—E. Loquat, or Medlar, or "Japan Plum." A most valuable large leaved plant, 25, 50 to 75 cents.

Cedrus Deodara—The Deodar, or Great Cedar of the Himalayas; probably identical with the Cedar of Lebanon; nice strong plants, 50 to 75 cents.

Cryptomeria Japonica—The Japanese Cedar. The largest tree of Japan; of particular beauty; pot-grown plants 50 to 75 cents.

Tsuga, Carolina Hemlock—A new type of the Hemlock of Pyramidal growth, 50 cents to $1.00; fine specimens $1.50.

Callitris Robusta—The Cypress Pine from Queensland. Somewhat resembles our native red cedar, but is conical in form and very dense. A fine tree for the lawn, 50 to 75 cts.

Pisidium Cattleyanum—Cattley Guava. This is quite a hardy species, with beautiful camellia like, glossy leaves, ever green, and producing immense quantities of red, acid fruits, averaging an inch thick. Makes very fine jelly. Will need protection in North Carolina. 50 cents.

Magnolia fuscata—The Barana Shrub. Dwarf growing variety, covered with a profusion of small flowers in April and May, of most exquisite fragrance, similar to that of a ripe banana. Nice young plants, pot-grown, 30 cents; small plants 15 cents.
Abies Fraseri—Southern balsam fir, 25 to 50c
Picea Alba—white spruce, 25 to 50 cts
  "  Nigra—black spruce, 25 to 50 cts
Pinus Pungens—table mountain pine, 50 cts
  "  Strobus—white pine, 25, 50 to 75 cts
Irish Juniper, 25 to 50 cts
Acuba Japonica—go’d plant, 25 to 50 cts
Yaupon—North Carolina Tea, 25 cts
Japan Privet, 25 cts
English Privet, 25 cts
Arbourvitae—American, 10c. to $1.00
  "  Chinese, 25 to 75 cts
  "  Siberian, 25 to 75 cts
  "  Gigantea, 25 to $1.00
  "  Golden, 25 to 75 cts
  "  Hovey’s Golden, 25 to 50 cts
  "  Pyramidal, 25 to 75 cts
Euonymus Japonica—Golden, 15 to 25 cts
  "  Argenta, running, variagated, 15 cts
Cape Jessamines, 25, 50 to $1.00
Magnolia Grandiflora—50 cts. per foot; plants from 6 in. to 4 feet high, 25c. to $2.00 each

We have the finest stock of Magnolias we have ever oftered. Special prices by the dozen or hundred
Norway Spruce, 25, 50 and 75 cts
Hemlock Spruce, 25, 50, $1.00
Upright Cypress, 25 to 50 cts
Retinaspora, 25 to 50 cts
Cerasus (Mock Orange)
  10, 25 to 50 cts
Laurustinus, 25 to 50 cts
Tree Box—2 kinds, 15, 25 to $1
  "  golden, variagated, 25 to 50 cts
Dwarf Box—for edging, per one hundred, $1.50
Thea Verdis—Chinese Tea,
  25 to 50 cts
Olia Fragrans, 25 to 50 cts
English Laurel, 25 to 50 cts

Golden Arbourvitae.
Anisseed— brown flowers, sweet foliage, 15 to 25 cts.
Rhododendron— Catawbianse, large purple flowers, 12 to 18 inches high, 50c. to $1.00
Rhododendron— maximum, rose colored, 50c. to $1.00
Rhododendron— punctatum, small pink flowers, 50c. to $1.00

The Rhododendrons are among the finest of American plants judged either by foliage or flower.

Please note that the price of our Evergreens is lower than you can find anywhere else. Our Spruces, Firs and pines at 25 to 50 cts. each, are like those that peddlers or agents ask $1.00 for. 25c plants average one foot.

We have fine specimens of Pines, Spruces, Arborvitae and choice Evergreens that we use in our landscape work, at $1.50 to $2.00 each.

We wish to call special attention to our stock of hardy single Camellia Japonicas. For out-door planting there is nothing better, as they are perfectly hardy here. A fine evergreen and blooms early. 25 to 50 cents.

Hardy Native Azalias.

Azalia Calendulacea, or great flame colored Azalia, 6 to 12 inches, 25 cts
Azalia Calendulacea, 12 to 24 inches, 50 cts

Hardy Flowering Shrubs.

No place of any size can be complete without flowering shrubs. We have the following standard kinds—fine large plants that if planted this Spring will bloom this year—at 25 to 50 cents each according to size:

Altheas—double white, rose, etc.
Abelia Rupustra—clusters of white flowers.
Exochardia Grandiflora—white.
Spireas—single and double—4 kinds.
Lilac—purple and white.
Pomegranate—crimson.
Duetzea—Gracilis.
"Crenata, double.
"Scabre—large spikes, white.
Philadelphus (Mock Orange)—two kinds.
Calycanthus Florida—sweet shrubs
Forsythia (Golden Bells).
Viburnum Stirilis (Snowball).
Weigelia Ameloblast and others—pink.
Magnolia Glaucea (Chinese Magnolia)—purple and white
European Euonymus (Strawberry Shrubs).
Pyrus Japonica—crimson.
Berberry—yellow.
Rhus Cotinus (Sm ke Tree).
Almond—double pink.
Hydrangeas—Otaksa, blue; Thos. Hogg, white; Japonica, pink, 15 to 30 cents.
We have a nice lot of Hydrangeas in 4, 5 and 6-inch pots ready to bloom this Spring.
Azalea Mollis—one of the most brilliant of all flowering shrubs, 50 cents.

New Deutzia.

Lemoinei—large cone shaped heads of pure white flowers, 25 cents.
New Spirea—Anthony Waterer, makes a dwarf bush covered with large heads of crimson flowers from spring to fall, 25 cents.
New Spirea—Van Houtte, the grandest of all Spireas, a complete mass of white bloom, 25 cents.
Azalea Indica—single pink 25 to 50 cents.
Azalea Amen—hardy evergreen azalia, small, dark pink flowers, 25 cents.

Native Deciduous Trees.

Acer Pennsylvaniamum—(Striped Maple), 50 cents
Acer Saccharinum—(Sugar Maple), 50 cents
Betula Lenta—(Sweet Black Birch), 50 cents
Magnolia Frazeri—(Ear Leaved Magnolia), 50 cents
Magnolia Umbrellas—(Umbrella Tree), 50 cents
Pyrus Americana—(American Mountain Ash), 50 cents
Tilia Americana—(American Mountain Linden), 50 cents
Halesia Tetrapatra—(Snowdrop Tree), 50 cents
Melia Azadirach (Umbrella China Tree). A more shapely form of the Old Indian species, widely advertised under the name of Texas Umbrella Tree, 50 cents

**Hedge Plants.**

For screens dividing the house grounds, or for cemetery purposes, a well kept hedge is a thing of beauty. We have several plants finely adapted for this purpose. The fact that the Euonymus Japonica has failed in the past few years has disappointed many. We do not recommend it for this purpose any more, but we have good plants to take its place and we find them satisfactory, standing cold and heat. We offer the following:

- **American Arborvitae**—15 to 18 inches, $6.00 per 100
- **“ “ “ “** 24 to 36 “ 10.00 “
- **Gigantea “ “ “ “** 24 to 36 “ 10.00 “
- **California Privet**—grows rapidly and makes a lively green hedge, pretty white blooms, 15 to 18 inches, $6 per 100.

**Hydrangea.**

Paniculata Grandiflora—this we think the finest flowering shrub in cultivation, with large heads of pure white flowers, 15, 25 and 50 cents.
Greenhouse Plants.

GENERAL LIST.

Aloysia Citriodora.
Lemon Verbena.—The foliage is very fragrant—splendid for mixing with cut flowers. Price 25 cents.

Ardisia Crenulata.
A very ornamental green-house plant, with dark evergreen foliage, producing clusters of brilliant red berries; a splendid house plant in winter. Price 25, 50 to 75 cents.

Acalypha Macafeana.
This variety is decidedly the best of its class, and will prove a superb plant for the garden in summer, and for the conservatory in winter. Foliage very highly colored, bright red, blotched with deep bronzy crimson. Price 30 cents each.

AGAVE—Century Plant.
Americana, 25 cents to $2.00.

“ variegated, 25c to $2.00.

Arbouressence Americana, 25 to 50c.
Dragon's Tongue, 25c to $2.00.

Anthericum Vitatum Folia Variegata.
A beautiful green house or conservatory plant, with recurved, graceful foliage, which attains a growth of three feet. The leaves are dark green, beautifully marked with broad bands of a creamy white color. It is also very ornamental as a specimen or basket plant. Price 10 to 30 cents.

Impatiens Sultana.
A very beautiful plant from the coast of Africa. The plant is a free grower and continuous bloomer; color of flowers a rich carmine magenta. Ready in April. 25 cents.

Ruellia Macrantha.
A Brazilian plant. Flowers freely of a fine violet-carmine, a pleasing color. This plant is of free growth in a warm house, flowering profusely and showy. One of the
very finest winter blooming plants of recent introduction. Price 25 cts.

**Alternantheras.**

Latifolia—broad smooth, autumn tinted-leaves.
Magnifica—leaves yellow, scarlet and green.
Spectabile—leaves orange, bronze and scarlet.
The Alternantheras are used for the outside row in ribbon beds, baskets, etc., and grow about ten inches. Price 20 cents each for large plants, and $1 per dozen for small plants.

**Achyanthes.**

Gibsonii—leaves carmine.
Lindenii—leaves deep blood-red.
The Achyanthes are used for massing and for ribbon beds, and are very showy. Price 15 to 25 each or $1.50 per dozen.

**Ageratum.**

Mexicanum—flowers light blue.
John Douglass—new dwarf, white.
Bedding Plants, embracing Alternantheras, Acheranthus, Coleus, Geraniums, Verbenas, Ageratum, Panseys, etc., 7 cents each.

Begonias—(new and old) in 20 varieties

Crasula—Cordata, 10 to 20 cts
Cistrum—(night blooming Jasamine), 10 to 30 cts
Centaurea Gymnocarpa—white cut leaves, 10 to 25 cts
Chrysanthemums—fine varieties, 5 to 10 cents each
Duranta Plumieri—(variegated), 10 to 20 cts
Ferns—variety, 10 to 50 cts
Farfugum Grande, 20 cts
Euphorbia Splendens, or Crucifixion plant, 10 to 30 cts
Grand Duke Jasmines, 10 to 25 cts
Echeveria, 10 to 30 cts
Geraniums—golden bronze and variegated, 10 to 25 cts
Geraniums—double and single in 50 distinct kinds, 5 to 25 cts
Geraniums—scented, in variety 10 to 15 cts
Gesnerias, 15 to 25 cts
Heliotropes—white, purple, etc 10 to 25 cts
New Heliotrope "Bruant"—the finest dark purple we have ever seen—always in bloom. Planted out in summer will produce clusters of blooms five inches across, 10 to 25 cts

Achimenes.

A beautiful class of plants covered with rich purple flowers all through the Summer and Fall. [See illustration elsewhere.] Price 20 cents.

Tuberoses, 25 cts per doz
extra large, 40 cts per doz
Impatiens Sultana—Perennial Balsam,
Lantanas—white, pink, orange, red, etc., 10 to 20 cts
Marantas—in variety, ornamental foliage, 25 to 75 cts
Oleanders—single and double, 15 to 30 cts
Russella Juncea, 10 to 20 cts
Primulus—Chinese, 25 cts
Salvias, 10 cts
Stapila Surpentinia, 10 cts
Pontederia—Crassipes, Water Hyacinthe, the prettiest water plant we have, 25 cts
Gravillea Robusta—(the Silk Oak), a decorative plant with fine cut foliage, used like palms or ferns from 3 inch pots, 20 cts; 6 inch pots 30 cts
Ficus Elastica—India Rubber Tree, fine large smooth leaves, 4-inch pots, 25 to 50 cts
Strobilanthes Dyerianus—a splendid foliage plant, 10 to 25 cts
Pleroma Splendens—rich purplish blue flowers, 10 to 25 cts
Gloxinias.

The varieties of this genus are all very handsome, producing abundance of magnificent flowers of a most beautiful description. Price 25 cts.

Gesnerias.

These are bulbous rooted plants which bloom magnificently during the winter months. Something on the style of the Gloxinia, with large velvety leaves. Price 25 cents each.

Swansonia Galegifolia Alba—Large sprays of pea-shaped white flowers, 10 to 20 cts
Sanseverie Zelanica—fine plant for the house; leaves from 1 1/2 to 3 feet, marbled with white 25 to 50 cts
Abutelon Souv. de Bonn—nearly half the foliage is pure white, 10 cts
Hydrange Hortence Variegata—foliage finely marked white, 15 to 50 cts
Flowering Begonias.

Begonia G. Scandans—climbing or drooping foliage.
Rubra—dark rosy crimson.
Alba Picta—leaves a glossy green, spotted white.
Bruanti—bright green foliage, white flowers.
Argentea Guttata—purple bronze leaves, silver spots.
Diadema—an elegant begonia; large, deeply cut foliage, silvery dots and veins.
Metalica—large dark olive green leaves, pink flowers.
" Cuprea—beautiful velvety leaves, dark green.
Nitida Rosea—large panicles of soft rose colored flowers.
Olbia—leaves from 7 to 10 inches, shaded brown and red, fine.
Subpelata Nigricans—upright growth, leaves dark red with silvery shade
Otta Hacker—large showy olive green leaves, deeply lobed, flowers bright coral red.
Paul Bruant—bright green white flowers shaded pink.
Recenifolia Var—immense leaves, 12 to 15 inches, dark silver marking.
Sanguinea—dark olive green, flowers white.
Thurstoni—bronze green, red beniath, pink flowers.
Laciniate—this is a sport from argentea guttatta, originated at Sunnyside. The leaves are long, unevenly lobed, purple bronze, marked with rosy, pink and white spots.
Nice plants from 2½ inch pots, 10 cents each, or the whole collection of 15 for $1.00.
Ferns.

We have some of the choicest ferns in cultivation in our collection.
Adiantum (Maiden Hair) Pedateum—our native maiden hair, the finest for summer, dies down in winter.
Adiantum Gracillimum—smallest, most graceful.
" Pubescens—a useful basket kind.
Four other varieties of maiden hair fern at 10 to 25 cts each.
Asplenium—(Bird’s Nest Fern), a beautiful and interesting variety.
Lastra Aristata Variegata—a broad band of yellowish green running through the pinules, 15 to 25 cts
Lomarea Gibba, 25 cts
Lygodium Scandens—Japanese climbing fern, 10 to 15 cts
Microlepa Cristata—fine drooping fronds, 15 cents.
Niphrolepis Davallioiodes—crested ferns, 15 to 50 cents.
Niphrolepis Exaltata—(sword fern), 10 to 50 cents.
Niphrolepis Exaltata Bostoniensis (sword fern), 20 to 30 cts
Pteris Argyra—a most useful fern for house culture. Strong foliage with band of white through each fern, 15 to 30 cents.
Pteris Adantifolia—and many others from 10 to 50 cents each.
Selaginella Emiliani—a charming variety, making a dense clump, with many stems. It forms fine specimens, and is a good cutting sort. Fine plants, 15 to 25 cents each.
Platycerium Alcicorne—(Elk’s Horn Fern). This variety is seen more commonly than any of the other sorts, but is still scarce and a most interesting species. 75 cts.
Niphrolepis Pectinata—dwarf sword fern 10 to 25.

"Piersoni, the new.

Ostrich Plume Fern—This beautiful fern carried off the gold medal offered by the Society of American Florists, 1902, at Asheville, N. C., fine plants 25 and 50 cts to $1.00 each.

Niphrolepis Wittboldii—new, a very strong, erect-growing variety with large heavy dark green pinnae: 25 to 50 cts.

**Plants of Special Merit.**

Asparagus Sprenger—a very fine new plant, useful for the house in winter. Good for large baskets, excellent for cutting, 15 to 25 cts

Asparagus Plamosus—one of the most delicately graceful plants in cultivation, 25 cts

Cissus Discolor—tender climber foliage, beautifully marked, 20 cts

Hoyea Carnosia—wax plant, 20 cts

Achellia—(the pearl), pure white double flowers, fine for summer bedding, 10 cts

Rudbeckia—(Golden Glow). Growth like dahlia. Large double golden yellow flowers, 10 cts

Plumbago Larpentea—hardy, rich deep blue flowers, 10 cts
Tabornemontana Caronera—a grand house plant,
  double white flowers 10 to 20 cts
Marguerite, or Paris Daiseys—white, 10 cts
  " yellow, 10 cts
P. Halepensis.—the Alleppo, or Jerusalem Pine—this is the
  most common pine of Palestine. The tree is low and
  spreading, 50 cts
Nephrolepis—Davallioides furcans, (The Staghorn Boston
  fern) a grand decorative fern, with the ends of the leaves
  or leaflets curiously divided and crested, 25 cts
Araucaria Excelsa—largely grown for decorative purposes.
  Has symmetrical growth of delicate, fringed branches.
  It is a grand plant for a jardiniere. Fine young plants,
  pot-grown, in a good decorative size, $1 to $1.50 each.
Plumbago Alba—pure white flowers, 10 to 20 cts
Weeping Lantana—Grand for basket and vases.
  Flowers delicate rosy lilac. Graceful droop-
  ing habit, 15 to 25 cts

GERANIUMS.

Fancy Leaved Geraniums. Bronzed and Variegated.

We have a fine collection of about forty named kinds at
  10 to 50 cents—according to size of plants.
Pelargonium, or Lady Washington Geraniums, in variety,
  10 to 25 cents.

Large Flowering Dwarf French Cannas.

A good collection of over 12 kinds of the very best; 10
  cents each, $1.00 per dozen.

Chrysanthemums.

We have a good collection of this popular plant in all
  colors, from pure white to dark maroon. Will be ready to
  plant out in April and May. 7 cents each, 75 cents per doz-
  en, each labeled; or 20 plants, not labeled, for $1.00.
Carnations.

Choice kinds, small plants in spring, 7 cents each, 75 cents per dozen; large field-grown plants in fall, 15 cents each, $1.50 per dozen; the latter for winter blooming.

Bulbs and Tuberous Rooted Plants.

Spider Lilly (Pancratium)—hardy bulbs bearing beautiful cut white flowers, 15 to 25 cents

Ameryllis—somewhat like the above, crimson flowers, fine bulbs, 20 to 30 cents

Gladioules—(Lemoins Hybrids). The fantastic marking of this class rivals the Orchid in their beauty. All colors mixed, 50 cents per dozen
Funkia Variegated—beautifully striped leaves, white and green, fine for pots or boxes, 15 to 25 cents
Caladium Escomentum—magnificent foliage, leaves 18 by 30 inches, fine bulb, 5 to 15 cents each
Bletia Tankerville— or Veiled Nun, a Terrestrial Orchid, 25 to 50 cents
Variegated Tuberose—single flowers, foliage striped white, fine for pots or boxes, 50 cents per dozen
Figsia Refracta Alba, 20 cents per dozen

**Fancy Caladiums.**

Grown in pots or boxes for summer and fall, are very satisfactory (see cut) 25 cents each

**Hyacinths.**

should be planted in the fall from October to December in well prepared beds; use only well rotted manure; plant the
bulbs about 5 inches deep. Will take orders for next fall's delivery as follows: Hyacinths, single or double, in separate colors, first-class bulbs, at 75 cents per dozen; Early Roman, white, 75 cents per dozen; Tulips, assorted colors, single and double, 35 cents per dozen; Cr. cus, 15c. per doz.

Paper White Narcissus, 50 cents per dozen
Dutch Roman Hyacinths—white and pink, 75c. per dozen
Chinese Sacred Lily, 10 cents each
Narcissus Poeticus—single, white with yellow cup bordered scarlet, 50 cents per dozen
Narcissus Alba Plena Oderata—large double white, 50 cents per dozen
Peonia—double pink, 25 cents each

Dahlias.

We have at last succeeded in getting a type of Dahlia that will bloom all the summer. Most of them are pompon, or small flowered. They are very fine, and bloom until cut down by frost, 10 cents each, $1.00 per dozen

Climbers--Hardy.

Silvery Oleasters—strong evergreen climbers, small white flowers, 10 to 25 cts
Rhyncospernum Jasminoids—beautiful white flowers, 10 to 25 cts
Wisteria Sinensis—fine clusters of purple flowers, 25 to 50 cts
Star Jasmine—white, star shaped flowers, 10 to 25 cts
Jasmine Grandiflora—white, 10 to 25 cts
Irish Ivy, 10 to 25 cts
Irish Ivy—variegated, white and green, 15 to 25 cts
Clematis—white, purple, (two kinds), 15 to 25 cts
Clematis Jackmani—the best large flowering purple clematis, 50 cts
Clematis Paniculata—fine clusters white flowers, 20 cts
Ampelopsis Veitchi—Boston Ivy, 20 cts
Gelsemium Sempervirens—Carolina Yellow Jasmine, fine plants, 15 cts
Ipomea Pandurata—tubrous rooted moon flower, strong roots, 20 cts
Japan Hunysuckle, variegated yellow and green, 15 cts

Climbers--Tender.

We have Moon flowers, white and purple, 10 cts. each; also Parlor Ivy, Similax, Maurandia, Mannata Vine, Wan-
Ordering Jew, Mosses, &c., for baskets, vases, etc., at 5 to 10 cents each; 50 cents for a dozen.

Miscellaneous Bedding Plants.

Ageratum, copes pet—dwarf purple, $5.00 per 100.

"Imperial—pure white.

Asters, Vicks branching—pure white.

Sempes branching—all colors mixed.

Ageratum, copes pet—dwarf purple, $5.00 per 100.

"Imperial—pure white.

Asters, Vicks branching—pure white.

Sempes branching—all colors mixed.

Coles — in variety 5 cts each.

Centaura Margurite—large double white.

Nasturtium Tom Thumb—new strain, finest colors mixed.

Torene Fournieri—sky blue flowers with 3 spots of dark blue, yellow center, 10 cts.

Pansies—choice strains, fine color, 5 cents each, 50 cts. per dozen. We can also furnish Vinca Major and Vinca Minor in large quantities for growing on terraces or under trees where grass cannot be grown, $2.50 per 100.

Ornamental Grasses.

Eulalia Japonica—striped white and green.

" Zebrina—striped yellow across the leaf.

" Grasscelis—delicate, rush like leaves.

Pampas Grass—fine silvery plumes.

Arundo Donax—variegated white and green,

—except where noted,

Large clumps,

Camellia Japonica.

The famous "Japonica" of our Southland. We have a fine lot of thrifty plants in double white, double red, double
pink, and double pink and white variegated, single pink and single red at 25 to 50 cents each.

We know of no other plant that should be used so extensively at the South as the “Japonica” for outdoor planting, or at the North as a pot or box plant.

Venus Fly Trap.

This unique little plant is probably the most remarkable thing in plant life, as the species has only this one representative. Its nearest related plant, “Drocera,” has little or nothing in common with it. It is found only in Southeastern North Carolina, but has a world-wide reputation. Each leaf divides at the end into two fleshy lobes that are extremely sensitive, and armed with long bristles, as shown in cut, promptly closes on being touched by any insect, holding the captive until his struggles cease, when it opens again. Three plants by mail, 25 cents.

NORTH CAROLINA CROP PEST COMMISSION.
S. L. PATTERTSON, Chairman, RALEIGH. B. W. KILGORE, Commissioner of Agriculture. Director N. C. Experiment Sta. J. VAN LINDLEY, President State Horticultural Society.

FRANKLIN SHERMAN, Jr., Entomologist.

Certificate No. 11. Season of 1905.
To Whom It May Concern:
This is to Certify, That on July 14, 1905,

the nursery grounds of JAMES M. LAMB, at FAYETTEVILLE, N. C., were inspected by MYSELF;

that the growing nursery stock was apparently free from San Jose Scale and other dangerously injurious insect pests and plant diseases.

This certificate has reference to insects and diseases, and is not otherwise to be considered as an endorsement of the parties to whom issued; it does not apply to stock not grown in the aforesaid nurseries unless such stock is covered by proper certificate in favor of the nursery where grown. It is not transferable, and may be revoked for cause.

This certificate becomes invalid after September 1, 1906, and cannot be legally used after that date.

FRANKLIN SHERMAN, Jr., Entomologist.
Roses.

Our field grown roses have given so much satisfaction to our customers that we have prepared for this season a fine lot of them. We grow them first year in small pots, then plant in the field and get a season's growth, we can then dig them with ball of soil, pack in damp moss, cut back and they are sure to grow. They should be planted with this moss left on the roots. We can usually supply small rose plants at 10 cts. each or $1.00 per dozen, but we recommend the larger sized plants, which we furnish at 25 cts. each, $2.50 per dozen, (except when noted) and with each dozen will give one crimson Rambler or one White Banksia gratis.

Climbing Roses.

Next to the Tea roses, nothing gives so much satisfaction in the South as the Noisette or climbing teas. This list embraces everything that is really desirable for the South. Price 25 cents each. $2.50 per dozen.

Marechal Neil—deep yellow, finest yellow.
White Banksia—white in clusters
Yellow Banksia—yellow in clusters.
Cloth of Gold—golden yellow, fine.
Lamarquè—climbing white.
Washington—white, in clusters.
Sir Walter Scott—pink, in clusters,
James Sprunt—crimson.
Reve d'Or—deep saffron, climbing safrano.
Esther Pradell—cream yellow.
Crimson Rambler, Yellow Rambler, White Rambler, Pink Rambler, Climbing White Pet.
Salfeterre—clear sulphur yellow.
Climbing Souviner de Wooton—a sport from the famous Souv de Wooton; bright magenta red, shading to violet.
Mary Washington—a rapid climber; its flowers are large pinkish white, perfectly double.
Reine Maria Henrietta—clear rich crimson.
W. A. Richardson—orange yellow, center coppery yellow.
Caroline Goorich—An ever-bloomer, blooming in clusters, color light red.
New Roses.

Souv. De Pierre Notting (Tea)—This variety is a seedling of M. Niel and Maman Cochet, with beautiful closely set foliage and a strong studly habit of growth. Color orange-yellow, bordered in carmine-rose. Has received not less than six gold medals. 35 cents each.

Mrs. B. R. Cant—A fine garden variety, of even shade of salmon-rose, round and full, a very free grower and free bloomer. 30 cents each.

New Bedding Dwarf Rambler Rose.

Baby Rambler (Mme. Norbert Levavasseur).—It is a cross between Crimson Rambler and one of the dwarf Polyantha sorts, producing large trusses of bright crimson flowers similar to the Crimson Rambler, but instead of climbing, the plants form dwarf, compact bushes; small plants 25 cents each.

Madame Abel Chatenay—Flowers large and full, petals recurved and of a beautiful creamy rose, shaded with rose vermillion and tinged with salmon.

Mrs. Robert Garret—Color, a glowing shell pink, very deep in the center; the fragrance is delicate and pleasing.

Robert Duncan—A new Irish variety of great merit. The color is bright crimson, petals large, shell-shaped and of immense substance; flowers very large, full and perfectly formed.

Yellow Cochet—or Madame Derepas Matrat. Very free-growing and hardy in character. The color is a good sulphur-yellow, blooms very large, perfectly double, and freely produced.

Souvenir de Jeanne Cabaud—The flowers are extra large, full, and double. Color, outer petals coppery yellow, center apricot and carmine.

Climbing Paul Neyron—Madame Wagram. In climbing Paul Neyron we have large size, coupled with bright fresh pink color that no rose excels.

Jubilee—This grand rose was awarded the gold medal by the Massachusetts Horticultural So iety, the only rose to obtain that honor. A pure red in its deepest tone, shading to deep crimson red and velvety maroon.

Lady Helen Stewart—A bright, scarlet crimson, flowers fully rounded out, petals large and thick, highly perfumed, very beautiful.
Admiral Schley—This is a new bedding Rose of great excellence. It is best described as a Red Burbank.

Coronet—In the bud the color is a deep, rich carmine, which, as the flowers open, lightens to a soft, clear pink, with each petal distinctly edged with silvery gray.

Enchantress—Blooms with astonishing freedom, bearing its large, globular, double flowers in immense clusters. The color is creamy white, slightly tinged with buff in the center.

Duchess of Edinburgh—A splendid Rose, producing very large buds of the most intense deep crimson.

Franz Döegan—The outer petals are of about the color of Perle des Jardins; the inner petals a good orange shade.

Helen Gould, or Balduin—This is the most beautiful and satisfactory Rose for general planting ever introduced in America. Color, soft intense Carmine crimson.

Ivory, or White Golden Gate—Its extraordinary freedom, large size, heavy canes, all tend to make it a valuable white variety for cut flowers. None better.

La Princess Vera—The color is rich ivory white, shaded and veined with coppery yellow, and delicately penciled with pale blush.

Lady Dorothea—(The Greatly Improved Sunset). Color hard to describe, but perfection in tint. It is a sport from Perle des Jardins and is a lovely mingling of pink and tawny buff.

Lady Mary Corry—Growth vigorous and of erect habit, blooms of good size, freely produced and perfectly formed. Color deep golden yellow, distinct and fine.

Bessie Brown—Blooms are of enormous size, of heavy substance, and are perfect in shape. The color is snow white, faintly flushed and tinged with pink.

The above, except where noted, 25 cents each, $2.50 per doz.

**The Memorial Rose.**

A new and distinct class of roses, hybrids of Rosa Wichuriana, having the clear shining foliage of our native wild rose. They are fine for covering fences, old stumps, arbors, &c., as they are inclined to run on the ground rather than climb.

Manda’s Triumph.—This is a gem. Produces large clusters (12 to 18 blooms) of double pure white flowers, 2 inches in diameter; sweet scented.

Universal Favorite—The double flowers are over two inches
across, a beautiful rose color, similar to Bridesmaid, deliciously fragrant.

South Orange Perfection—Produces multitudes of the most perfectly formed double flowers, about 1½ inches in diameter; soft, bluish pink at the tips, changing to white.

Strong two years old plants, 25 cents each.

**Ever Blooming Tea Roses.**

Field grown 25 cents each, $2.50 per dozen.

Premiums above apply to all classes of roses.

Madame Camile—Rosy flesh, shaded salmon, rose and carmine.

Golden Gate—Creamy white tinted with golden yellow.

Bridesmaid—Deep brilliant pink.

Rainbow—Rosy carmine striped pink.

Snowflake—Pure white.

Susannah Blanchet—Flesh color.

The Bride—White.

Mad Joseph Schwartz—Light salmon rose.

Francisca Krugar—Chamois color, brightened with yellow and rose.

Madam Caroline Custer—Lemon yellow.

Isabella Sprunt—Canary yellow.

J. B. Varona—crimson shaded salmon.

Marie Lambert—pure white.

Perle des Jardins—cream to deep yellow.

Beauty of Stapleford—red, tinged violet.

Mad. Martha du Bourg—large and full pearl white.

Mad. Welch—pale yellow, center coppery.

Devoniensis—creamy white.

White La France—pure white.

Bougere—bronze pink.

Bon Silene—deep rosy pink.

Safrano—saffron and apricot yellow.

Papa Gontier—bright rose.

Mad. M. Villermoz—creamy white.

Coquet de Lyon—canary yellow, fine bloomer.

White Bougere—large, deep, full and double; ivory white.

Kaiserin Augusta Victoria—soft, pearly white.

Clement Nebonnaud—coppery rose-tinged crimson.

Etoile de Lyon—chrome yellow, fine.

Souv de Gaulain—bright red, shaded rose, fine buds.

Maman Cochet—deep rose pink, the inner side of petals silver rose, flowers extra large.
Duchess of Albany—(H. T.). Flowers deep even pink, very large and full.
Maurice Rouvier—(Tea). Soft tender rose, shaded and varied with red.
Mad. Pauline Labonte—salmon rose.
Mad. Hoste—yellowish white, buff shading.
Mad. Margottin—(Tea). Citron yellow, with a beautiful peach shading.
Marian Dingee—the darkest of all crimson tea roses; strong grower, free bloomer.
Princess Bonnie—blooms all the time; solid crimson, exquisite fragrance.
White Maman Cochet—is identical with its parent Maman Cochet, except in color, which is snowy white; a vigorous grower.
Madam Caroline Testout—clear satin rose.
Countess de LaBarthe—deep blush.
Catherine Mermet—clear shining pink.
Beaute Inconstante—new and sensational. A single plant will have at the same time flowers of various colors, varying from deep yellow to red and carmine.

Hybrid Perpetual Roses.

Coquette des Blanches—pure snowy white, sometimes faintly tinged with pale rose.
Gloire Lyonnaise—This grand rose is a pale shade of chamois or salmon yellow, deepest at centre, and sometimes passing to rich creamy white, finely tinted with orange and fawn.
Magna Charta—a splendid rose; extra large, very double; of fine form, and sweet; a sure and profuse bloomer; color clear rosy red.
Able Carrier—dark crimson, very fine.
Paul Neron—rose color, the largest rose grown.
Antoine Verdier—bright pink shaded crimson.
Prince Camille de Rohan—rich, dark velvety crimson, large and fine; a rose of splendid color.
American Beauty—very large double flowers, of a deep crimson color and highly fragrant.
Meteor—rich velvety crimson.
General Jacqueminot—brilliant crimson; large and fragrant.
Giant of Battles—deep fiery crimson, very brilliant.
General Washington—A grand rose with a first-class American name; it is beautiful in form; the color is soft scar-
let, sometimes glowing crimson.

Victor Verdier—Brilliant rosy carmine, beautifully edged with purple; extra large, full flowers.

Mrs. John Lang—soft delicate pink with a silvery tinge; very fragrant.

Tom Wood—another new Irish variety; flowers very large, full and perfectly formed; cherry red.

Margaret Dickson—Introduced by Dickson & Son, Belfast, Ireland, and is doubtless the first white hybrid perpetual rose ever sent out.

Baron Rothschild—bright rosy crimson, fine.

Anna de Diesbach—Flowers clear rose, very large.

Duke of Edinboro—rosy crimson.

Ulrich Brunner—Extra large, bold flowers, crimson, elegantly flamed with scarlet.

Marshall P. Wilder—the flowers are large and perfect in form, bright cherry red, changing to crimson.

Baron de Bonstetten—still a leading dark rose. A splendid shade of dark red, changing to velvety maroon.

Marie Bauman—Bright carmine, very large, smooth and of exquisite form: one of the best.

Baroness Rothschild—A superb Rose, of rich satiny pink.

Two year old plants $2.50 per dozen.

**Ever Blooming Bourbon and China Roses.**

Mrs. Degraw—bright coral pink; flowers are borne in clusters; very handsome.

Empress Eugenie—red.

Clothilde Soupert—The flowers are double and beautiful in form, and the color blends from soft shell pink to pure satiny white.

Pink Soupert—The flowers are the exact form of Clothilde Soupert and in color a deep pink.

Yellow Soupert—(Mosella). This is everybody's rose. The color is white on beautiful light yellow ground, which becomes a chrome yellow in the centre of flower.

Queen's Scarlet—a constant and profuse bloomer; color rich velvety scarlet; very brilliant and striking.

**Moss Roses.**

Glory of Moses—rich pink.

White Moss—pure white full and double.

Price same as other roses.

**Note.**—Field grown roses cannot be sent by mail, but small pot grown roses can.
Palms.

Latania Borbonica—fan palm, 15 to 18 inches, 75c. to $1.00 each.
Araca Lutescens—very graceful, 18 inches, 75c to $1.00 each.
Cocos Weddelliana—most graceful of all, 12 inches, 50 cts.
Phoenix Ricnata—dark green glossy foliage, 18 inches to two feet, 50 and 75c. to $1.00.
C. cos Plumosa—large, 6 to 8 inch pots, $1.00 to $2.00.
Sabal Adansoni—dwarf palmetto, strong plants, $1.00 to $2.
Cycas Revoluta—Sago palm, scarce and beautiful, 75c. to $1.
Seaforthia Elgans—fine feathery foliage, 50 and 75c. to $1.
Phoenix Dactylifira—the commercial date palm, 50c. to $1.00.
Phoenix Leonensis—choice upright growing variety, 50 to 75c.
Phoenix Cycadifolia—graceful, arching foliage, 75c. to $1.50.
Zamia Integrifalia—a beautiful dwarf cycad, native of Florida, where it is known as comptie, $1.00.
Chamacrops Excelsa—a fan palm, 50 to 75 cts.
Dracaena Indivisa—Of all the plants in use for centers of vases, baskets or for beds in the open ground, nothing is so valuable as this. From its graceful, drooping habit it is sometimes called the “Fountain Plant.” Plants from 5-inch pots, 50 to 75 cts. each.

Violets.

English Sweet Violets—Single purple, 5 cts.; 50 cts. per doz.
Large Russian—Single purple, 5 cts.; 50 cts. per doz.
The California Violet—a new hardy single violet, 5 cts. each.
Swanly White—double white, 5 cts.

Cut Flowers.

Bouquets and boxes of cut flowers at all times, except Sunday, from 25 cents up.
Funeral Designs.

We have Crosses, Anchors, Wreaths, Pillows, Hearts, Lyres, Maltese Crosses, Standing Crosses, Harps, Stars, Sickles and Gates Ajar, at from $1.00 to $10.00. White Cape flowers and Immortelle designs at the same price; best quality pure White Doves $2.50 each.

We take particular care in making up designs, and as we are connected by 'phone with both telegraph companies, orders by wire can be promptly filled.

Our purpose is to erect new Green-houses this summer to be devoted to the growing of cut flowers, when we will be able to meet all demands.

Conditions.

(Please Read before Writing your Orders.)

Plants by Mail.

We can send small plants by mail, free, when not less than one dozen plants are ordered at one time, but plants go better by EXPRESS, as the soil in which they have been growing is not disturbed, and we always put in enough to help pay the charges.

Plants by Express.

Express charges on plants and shrubbery boxed, is 20 per cent. less than on general merchandise, is safe and quick.

Plants by Freight.

Large Evergreens and shrubbery can be sent by freight, as we carefully pack with damp moss so they would stand a two week's journey safely, and the charges are reasonable.

Our Facilities for Shipping.

Fayetteville is situated nearly in the center of the State of North Carolina, with lines of railroad running in every direction. We have also the old Cape Fear River, with its steamboat lines, making Fayetteville equal to the best as a distributing point. We can put plants in New York or Florida in thirty hours.
Stock.

We have the stock to fill satisfactorily all reasonable demands. We grow our own stock, with few exceptions. Our specialty for years has been the growing of evergreens and hardy plants for out-door planting. A visit to our place will prove we have them.

Terms Cash.

Except from known patrons, our terms are cash with order.

Postoffice Orders or Express Money Orders are the best ways to send money. One or two cent stamps for amounts less than one dollar will do. We will not be responsible for currency in letters except they are registered.

Put name and address on every letter. If a lady, write (Miss) or (Mrs.) before your name. Every letter received is answered same or next day. So if you do not receive an answer in a reasonable time, write again. "Uncle Sam" is careful and prompt, but sometimes people forget to sign their names, or omit to write County or State on the envelope.

CLUBS.

We offer no "chromos" or clap-trap inducements. We aim to give full value for every dollar we receive. Our plants are well grown, strong and healthy. But we are willing to pay for service rendered in getting up clubs or large orders from a neighborhood or community in money, or plants, bulbs, etc. Write for terms.
